

All Canadian Wine Championships 2013 Results

The results of the All Canadian Wine Championships held at Windsor ON have been recently announced.

There were some 1297 Canadian wines entered from 220 Canadian wineries, spanning from Newfoundland to British Columbia, covering all wine categories. For the judges, it was an awesome task, tasting so many different styles and types of wine. This is a 20% increase in the number of wineries and wines since 2010. "Our two winemakers Paul and Terry deserve the credit for taking our own Halton Hills grapes and berries to a Competitive Canadian Level" reports Bert Andrews. Our very own Halton White 2011, a Vidal based white wine was honoured with a Silver Medal. We believe that our recently bottled Halton White 2012 is even more taste bud appealing. Free wine tastings are available at the winery.
